

# Kindergarten Krayon Font

Kindergarten Krayon brings the classic classroom feel to your creative projects. This playful, all-caps, textured display font mimics the look of chalk drawn on a dusty chalkboard, complete with charmingly uneven lines and a gentle grain effect. It's ideal for children's books, school event flyers, teacher resources, and packaging that needs a hand-drawn touch. No dust bunnies included!

## How to install?

1. First unpack the zip file.
2. Right-click on **KindergartenKrayon.otf** file and click Install.

Enjoy!
